Dear Alumni, Parents and Friends,

EDWIN S. SHEFFIELD JR.,
Chair

2010 has been a year of dreams becoming reality. We are beginning to see the results of Laurel Zimmermann's hard work developing our Gap Year program. (Please go to BAEF.org and click on 'Fellows Program' to learn more.) Our updated website, unveiled last year, is drawing more potential scholars and we continue to be recognized in the American and British academic sectors as a resource for Americans going to Britain. We are working with new schools (West Hill Park) and old favorites (Malvern, Shrewsbury) and, when not impeded by Icelandic ash, Laurel visits to refresh our relationships.

NATALIE M. YATES
Treasurer

We have been strengthening ties with other organizations sharing a British connection: The British Schools and Universities Club, The British Schools and Universities Foundation and the St. George's Society. BAEF alumni have attended several of their functions. For those in the New York area or for alumni you know in the New York area, please let us have your e-mail address on the form below or via the 'Contact Us' page on our website so that you may receive invitations to these events.

As you are well aware, we are living in a time when resources are strained. We owe our progress to Laurel's efforts, to the efforts of the board and to the wonderful contacts that the organization has made beginning with the efforts of Denise Bryant. We also rely on the efforts and other contributions of friends and alumni. Your financial support allows us to continue that legacy. Your ideas and spreading the word take us forward. Please keep in touch and keep the BAEF in mind throughout the year and especially now.

Many thanks for your continued loyalty and generosity.

Best for the New Year,

Win Sheffield
